*One cannot love what one does not know, nor appreciate something with unknown value.*

*Let's work together to PRESERVE the Soil resource.*

World  
Soil Day

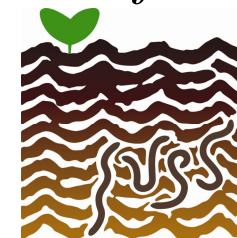

# December 5

*Let's make of the World Soil Day an international festival, and of the Decade of the Soils a celebration that permeates all the minds and consciences of the citizens of the world, as the decade in which we have realized the*

*Global Soil Partnership and therefore, an alliance for the life on Earth.*
